#### 1. PARTY STATUS

(IF YOU ARE NAMED A DIRECTLY AFFECTED PARTY IN THE APPROVAL OFFICER'S DECISION, YOU DO NOT NEED TO COMPLETE THIS SECTION)

Party status ("directly affected" or "not directly affected") is determined pursuant to the provisions of the Agricultural Operation Practices Act (AOPA) and its regulations. Upon receipt of an application, the Approval Officer must notify any affected parties. Affected parties include municipalities and owners or occupants of land as determined in accordance with the regulations. To obtain directly affected status, the owner or occupant notified in the above process must provide a written submission to the Approval Officer during the stage at which the Approval Officer considers the application. The Approval Officer will then determine who the directly affected parties are and include this determination in the Decision Summary.

Under its governing legislation, the Board can only consider requests for review submitted by directly affected parties. If you are not listed as directly affected in the Approval Officer's decision, you must request that the Board reconsider your status (please note that under the provisions of AOPA, the Board cannot reconsider the status of a party who has not previously made a submission to the Approval Officer during the application process).

In order to request your status be reconsidered, you must explain why your interests are directly affected by the decision of the Board. Please list these reasons below:
