1. PARTY STATUS

(IF YOU ARE NAMED A DIRECTLY AFFECTED PARTY IN THE APPROVAL OFFICER'S DECISION, YOU DO NOT NEED TO COMPLETE THIS SECTION)

Party status (*"directly affected" or "not directly affected"*) is determined pursuant to the provisions of the *Agricultural Operation Practices Act* (AOPA) and its regulations. Upon receipt of an application, the Approval Officer must notify any affected parties. Affected parties include municipalities and owners or occupants of land as determined in accordance with the regulations. To obtain directly affected status, the owner or occupant notified in the above process must provide a written submission to the Approval Officer during the stage at which the Approval Officer considers the application. The Approval Officer will then determine who the directly affected parties are and include this determination in the Decision Summary.

Under its governing legislation, the Board can only consider requests for review submitted by directly affected parties. If you are not listed as directly affected in the Approval Officer's decision, you must request that the Board reconsider your status (please note that under the provisions of AOPA, the Board cannot reconsider the status of a party who has not previously made a submission to the Approval Officer during the application process).

In order to request your status be reconsidered, you must explain why your interests are directly affected by the decision of the Board. Please list these reasons below:

My grounds for requesting directly affected status are as follows:

2. GROUNDS FOR REQUESTING A REVIEW

(ALL PARTIES MUST COMPLETE THIS SECTION)

In order to approve an application, NRCB Approval Officers must ensure the requirements of AOPA have been met. Your grounds for requesting a Board review should identify any requirements or specific issues that you believe the Approval Officer failed to adequately address in the Decision.

My grounds for requesting a review of the Approval Officer's decision are as follows:

3. REASONS YOU ARE AFFECTED BY THE DECISION (ALL PARTIES MUST COMPLETE THIS SECTION)

In order to support your reasons for requesting a review, please explain how you believe you would be affected by the Approval Officer's decision.

I believe that, as a result of the Approval Officer's decision, the following prejudice or damage will result:

4. ACTION REQUESTED

(ALL PARTIES MUST COMPLETE THIS SECTION)

I would like the Board to take the following actions with the respect to the Approval Officer's decision:

Amend or vary the decision

Reverse the decision

Please describe why you believe the Board should take this action:

If the Board decides to grant a review (*in the form of either a hearing or a written review*), all directly affected parties are eligible to participate. The Board may consider amending the Approval, Registration, or Authorization on any terms and conditions it deems appropriate. **Please note the Board cannot make any amendments unless it first decides to grant a review.**

If a review is granted by the Board, are there any new conditions, or amendments to existing conditions, that you would like the Board to consider? It is helpful if you identify how you believe your suggested conditions or amendments would address your concerns.
