

Decision Summary for an Approval Officer Amendment – Amended Registration LA20014A

On August 26, 2020, the NRCB issued Registration LA20014 to the Hutterian Brethren Church of Granum. Registration LA20014 allows the construction of a 20,000 chicken layer confined feeding operation.

The date of signing of this registration states July 26 rather than August 26, 2020. The July 26, 2020 date was an administrative error. NRCB Board RFR Decision 2020-06 (issued on October 9, 2020) anticipated such an amendment at page 2 of its reasons.

To remedy this error, I am amending Registration LA20014 on my own motion, under section 23 of AOPA. Rather than issue a separate amendment document, I am issuing a new amended Registration LA20014A and cancelling Registration LA20014. The amended registration will have the same terms and conditions as Registration LA20014, except the corrected date of signing.

Registration LA20014A is issued for the reasons provided above and becomes effective immediately. Registration LA20014 is therefore cancelled.
