Dear Mr. Echegaray,

Re: Permit Cancellation RA05042 – Darcor Holsteins Inc – NE 14-47-23-W4M – the “Lands”

Thank you for referring the subject intended Permit Cancellation to the County for comments.

On April 11, 2023, the County adopted its new Municipal Development Plan (MDP) through Bylaw 2023/05. Within the County’s new MDP it states the following under Section 11.6 Confined Feeding Operations:

“11.6.3 Prohibit new or expanded Confined Feeding Operation within the following areas (as shown on Map 4. Confined Feeding Operations Setbacks):

- a. 2.4km (1.5 miles) from the boundary of any city, town, village, summer village, hamlet, school, and hospital;*
- b. the Acreage Policy Area or within 1.6 km (1 mile) of its boundary;*
- c. the watersheds of Battle Lake, Pigeon Lake and Wizard Lake;*
- d. 1.6km (1 mile) of the following named lakes: Battle Lake, Bearhills Lake, Bittern Lake, Buck Lake, Coal Lake, Labyrinth Lake, Long Lake, Red Deer Lake, Samson Lake, Town Lake, Twin Lakes, and Watelet Lake;*
- e. any setback required by AOPA.”*

“11.6.5 Within the setbacks identified in 11.6.3, consider any CFOs which are not in operation for a period of ten (10) years or more to be without proper authorization to resume operation or expand. The County will not support the resumption or expansion of such Operations”.

Based on these sections of the County’s MDP, the County supports the intended Permit Cancellation of Registration RA05042.

If you require more information or have any questions, please feel free contact me by email at jgrant@county10.ca or by phone at (780) 361-6222.
