

**Total permitted animal capacity from all permits for this site:**  
1,300 Beef Finishers

---

In consideration of Decision Summary LA18065, Approval LA18065 is issued to:

Name: Harold Vandenberg Dairy Ltd. (the "permit holder")  
Address: Box 48, Diamond City, AB T0K 0T0  
Contact person: Jeff Vandenberg

**Permitted construction** (based on the submitted site plan):

- Three feedlot pens (35 m x 40 m) each
- Extend existing catch basin (final dimensions 104 m x 5 m x 3 m deep)

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed application LA18065 and Approval LA18037 together with the site plans, engineering reports and other attached documents, unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition #3.

**Construction conditions**

1. The permit holder shall submit proof, prepared by a qualified third party, that the dimensions of the catch basin extension are as specified in this permit.

Construction deadline

2. The permit holder shall complete construction of the new feedlot pens and catch basin expansion prior to December 21, 2021. Upon request, this deadline may be extended by the NRCB in writing.

Post construction inspection

3. The permit holder shall not place manure or animals in the new feedlot pens or allow manure contaminated runoff from entering the catch basin extension until the facilities have been inspected by NRCB personnel and determined by them, in writing, to have been constructed in accordance with the terms and conditions of this permit.

This approval becomes effective immediately. The approval conditions will remain in effect unless amended in writing by the NRCB.

---

LA18037 is hereby cancelled and is no longer in effect, unless Approval LA18065 is held invalid, in which case the previous permit will remain in effect.

March 4, 2019

Carina Weisbach  
Approval Officer
