

Total permitted animal capacity from all permits for this site:

76,000 broiler chickens

In consideration of Decision Summary RA18092, Approval RA18092 is issued to:

Name: Clear Sky Poultry Ltd. (the "permit holder")
Address: RR3 Lacombe AB T4L 2N3
Contact person: Ivonne Van Aken

Permitted construction (based on the submitted site plan):

- Broiler chicken barn #1 (108.5 m x 19.5 m)
- Broiler chicken barn #2 (108.5 m x 19.5 m)

Ancillary facilities

- Service building (28.7 m x 7.6 m)

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed application together with the site plan, building plans and other attached documents unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspections in conditions #2 and 5.

Construction conditions

Broiler Chicken Barn #1

1. The concrete used to construct the liner of broiler chicken barn #1 must meet the specification for category D (solid manure – dry) in Technical Guideline Agdex 096-93 "Non-Engineered Concrete Liners for Manure Collection and Storage Areas". The permit holder shall provide written confirmation, from a qualified third party, confirming that the concrete used for the manure collection and storage areas meet the required specifications.
2. The permit holder shall not allow livestock or manure in broiler chicken barn #1 until the facility has been inspected by NRCB personnel and confirmed by them, in writing, to have been constructed in accordance with the terms and conditions of this permit.
3. The permit holder shall complete construction of the manure collection and storage portions of broiler chicken barn #1 prior to November 30, 2021. Upon request, this deadline may be extended by the NRCB in writing.

Broiler Chicken Barn #2

4. The concrete used to construct the liner of broiler chicken barn #2 must meet the specification for category D (solid manure – dry) in Technical Guideline Agdex 096-93 “Non-Engineered Concrete Liners for Manure Collection and Storage Areas”. The permit holder shall provide written confirmation, from a qualified third party, confirming that the concrete used for the manure collection and storage areas meet the required specifications.
5. The permit holder shall not allow livestock or manure in broiler chicken barn #2 until the facility has been inspected by NRCB personnel and confirmed by them, in writing, to have been constructed in accordance with the terms and conditions of this permit.
6. The permit holder shall complete construction of the manure collection and storage portions of broiler chicken barn #2 prior to November 30, 2021. Upon request, this deadline may be extended by the NRCB in writing.

This approval becomes effective immediately. The Approval conditions will remain in effect unless amended in writing by the NRCB.
