

Notice of Application

Confined Feeding Operation

Robert (Sam) McQuaid (Shelter Valley Land & Cattle) has filed application for amendment RA16048A with the Natural Resources Conservation Board (NRCB) regarding an existing beef confined feeding operation (CFO) on the S ½ 36-41-7 W4M in the MD of Provost of Alberta. The application for amendment is to relocate an already permitted catch basin from the central west side of the permitted feedlot pens (Approval RA16048) to the southwest side of the same pens. There are no proposed changes to the number or type of livestock at the CFO with this application for amendment.

Filing a Statement

Any person who is directly affected by the application may submit a statement of concern to the NRCB. The statement of concern must be received by the NRCB on or before December 11, 2019. Submissions should be made to the NRCB address provided below. A copy of the statement of concern will be sent to the applicant for review and comment. Statements submitted regarding the application are public records.

Your statement of concern should include your name, the legal land description of your residence or landholdings, mailing address, phone number, fax number, email address, and a detailed summary that describes how you would be directly affected by this application. For further information please refer to the fact sheet "The Permitting Process for Confined Feeding Operations in Alberta" at www.nrcb.ca.

Failure to submit a statement of concern may affect your rights to apply for an NRCB review.

Viewing the Application

A complete copy of the application and supporting documents submitted by the applicant under the *Agricultural Operation Practices Act* may be viewed on line at www.nrcb.ca or during regular business hours at the Red Deer office of the NRCB until December 11, 2019. If you require further information, please contact the approval officer listed below.
