

Total permitted animal capacity from all permits for this site:

2,800 beef finishers
300 meat goats

In consideration of Decision Summary LA20005, Approval LA20005 is issued to:

Name: Westview Dairy Ltd. (the "permit holder")
Address: Box 542, Coalhurst AB T0L 0V0
Contact person: Marty and/or Leon Vandenberg

Permitted construction (based on the submitted site plan):

- Feedlot pens - 3 pens: 41.1 m x 54.8 m each and 2 pens: 46.6 m x 54.8 m each

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed application LA20005 together with the site plan, engineering reports and other attached documents and Approval LA18039, unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition #2.

Construction conditions

Construction completion deadline

1. The permit holder shall complete construction of the feedlot pens prior to December 31, 2022. Upon request, this deadline may be extended by the NRCB in writing.

Post construction inspection

2. The permit holder shall not place manure in the feedlot pens, until the feedlot pens have been inspected by NRCB personnel and determined by them, in writing, to have been constructed in accordance with the terms and conditions of this permit.

This approval becomes effective immediately. The approval conditions will remain in effect unless amended in writing by the NRCB.

Approval LA18039 is hereby cancelled and is no longer in effect, unless Approval LA20005 is held invalid, in which case the previous permits will remain in effect.

April 14, 2020

(original signed)
Carina Weisbach
Approval Officer

Approval LA20005 – Appendix

Existing permitted facilities

Approval LA18039	<ul style="list-style-type: none"> • Two feedlot pens – 42.7 m x 53.3 m (140 ft. x 175 ft.) each • Two feedlot pens – 30.5 m x 24.4 m (100 ft. x 80 ft.) each
Grandfathered	<ul style="list-style-type: none"> • Feedlot pens – 122 m x 72 m • Feedlot pens – 84 m x 36 m • Barn – 40 m x 34 m • EMS – 44 m x 18 m (converted into a catch basin) • Catch basin – 32 m x 22 m

Construction conditions (brought forward from Approval LA18039)

Construction completion deadline

1. Construction of the new feedlot pens must be completed prior to December 20, 2020 unless otherwise agreed upon, in writing, by the NRCB.

Post construction inspection

2. The new feedlot pens must be inspected by NRCB personnel prior to livestock or manure being placed in the new pens.
