

In consideration of Decision Summary BA19024, Authorization BA19024 is issued to:

Name: Clover Prairie Farms Ltd. (the "permit holder")
Address: Site 1 Comp 36 RR 4, Calmar AB T0C 0V0
Contact person: Martin Bredenhof

Permitted construction (based on the submitted site plan):

- Dry cow barn 21 m x 35 m

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed application and previously issued development permit D00-275, Registration BA03005, and Authorization BA18006 together with the site plan, building plans, and other attached documents, unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition #3.

Construction conditions

Dry cow barn

1. Construction completion deadlines
The permit holder shall complete construction of the dairy barn addition prior to December 1, 2022. Upon request, this deadline may be extended by the NRCB in writing.
2. Concrete
The concrete used to construct the manure collection and storage liner of the dry cow barn must meet the specifications for category D (solid manure - dry) in Technical Guideline Agdex 096-93 "Non-Engineered Concrete Liners for Manure Collection and Storage Areas." The permit holder shall provide written proof to the NRCB confirming the specifications of the concrete used. This document must be provided to the NRCB prior to the inspection referenced in condition #3 below or by a later date stated by the NRCB.
3. Post construction inspection (prior to populating the dry cow barn)
The permit holders shall not place livestock or manure in the dry cow barn until the NRCB has inspected the facility and stated in writing that it has been constructed in accordance with this approval.

This authorization becomes effective immediately and should be read in conjunction with the previously issued development permit D00-275, Registration BA03005, and Authorization BA18006. This permits conditions will remain in effect unless amended in writing by the NRCB.

May 28, 2020
