

In consideration of Decision Summary RA20008, Authorization RA20008 is issued to:

Name: Lac La Nonne Dairy Ltd. (the “permit holder”)
Address: 39022 Rge Rd 10 Red Deer County AB T4E 0G4
Contact person: Jeroen Schalkwyk

Permitted construction (based on the submitted site plan):

- Dry cow barn (73.2 m x 24.4 m)
- Solid manure storage pad (13.7 m x 24.4 m)

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed application together with the site plan, building plans, and other attached documents, unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition #2.

Construction conditions

1. The concrete used to construct the liner of the new dry cow barn must meet the specifications for category D (solid manure - dry) in Technical Guideline Agdex 096-93 “Non-Engineered Concrete Liners for Manure Collection and Storage Areas”. The concrete used to construct the liner of the solid manure storage pad must meet the specifications for category C (solid manure – wet) in the same guideline. The permit holder shall provide written confirmation, from a qualified third party, confirming that the concrete used for the manure collection and storage areas meet the required specifications.
2. The permit holder shall not allow livestock or manure in the new dry cow barn, or manure on the solid manure storage pad, until the facilities have been inspected by NRCB personnel and confirmed by them, in writing, to have been constructed with the terms and conditions of this permit.
3. The permit holder shall complete construction of the manure collection and storage portions of the dry cow barn and solid manure storage pad prior to November 30, 2021. Upon request, this deadline may be extended by the NRCB in writing.

This authorization becomes effective immediately. Authorization RA20008 should be read in conjunction with previously issued Approval RA09038A, and Authorization RA12019, which remain in effect. The permit conditions will remain in effect unless amended in writing by the NRCB.

June 24, 2020
