

Total permitted animal capacity from all permits for this site:

3,500 Ewes with Lambs

In consideration of Decision Summary RA20020, Approval RA20020 is issued to:

Name: Ben, J.W. and Jolanda Rodenburg, and East Valley Ranch Ltd. (the “co-permit holders”)
Address: RR3 Site 15 Box 9 Ponoka AB T4J 1R3
Contact person: Ben Rodenburg

Permitted construction (based on the submitted site plan):

- Expanding and permitting the lambing barn (91 metres x 24.4 metres) to a total of 91 metres x 48.8 metres
- Expanding and permitting the sheep shelter (78.1 metres x 12.3 metres) to a total of 91 metres x 24.6 metres

The co-permit holders shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The co-permit holders shall adhere to the descriptions contained in the filed application together with the site plan, building plans, engineering reports and other attached documents, unless otherwise noted in the following conditions.

The co-permit holders shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspections referenced in conditions # 1 and 3.

Construction conditions

Lambing barn

1. The co-permit holders shall not allow livestock or manure in the expanded areas of the lambing barn until the facility has been inspected by the NRCB personnel and confirmed by them, in writing, to have been constructed in accordance with the terms and conditions of this permit.
2. The co-permit holders shall complete construction of the manure collection and storage portions of the expanded areas of the lambing barn prior to November 30, 2022. Upon request, this deadline may be extended by the NRCB in writing.

Sheep shelter

3. The co-permit holders shall not allow livestock or manure in the expanded areas of the sheep shelter until the facility has been inspected by the NRCB personnel and confirmed by

them, in writing, to have been constructed in accordance with the terms and conditions of this permit.

4. The co-permit holders shall complete construction of the manure collection and storage portions of the expanded areas of the sheep shelter prior to November 30, 2022. Upon request, this deadline may be extended by the NRCB in writing.

This Approval becomes effective immediately. The Approval conditions will remain in effect unless amended in writing by the NRCB.

June 25, 2020
