In consideration of Decision Summary LA20025, Authorization LA20025 is issued to:

Name: Silver Sage Hutterian Brethren (the "permit holder")  
Address: Box 482, Foremost AB T0K 0X0  
Contact person: Ben Hofer

**Permitted construction** (based on the submitted site plan):

- Manure transfer pit – 15 m x 15 m x 6 m deep

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed applications for Authorization's LA20025, LA18041, LA18025, and Approval LA05041B together with the site plan, building plans, engineering reports, and other attached documents, unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in conditions #2.

The permit holder is responsible for all costs associated with reporting requirements.

**Construction conditions**

1. The permit holder shall complete construction of the manure collection and storage portions of the manure transfer pit prior to November 30, 2021. Upon request, this deadline may be extended by the NRCB in writing.
2. The permit holder shall not place manure in the manure transfer pit, until the NRCB has inspected the manure transfer pit and stated in writing that the facility has been constructed in accordance with this authorization.

This authorization becomes effective immediately in conjunction with previously issued permit Approval LA05041B and Authorizations LA18041 and LA18025. The authorization conditions will remain in effect unless amended in writing by the NRCB.
