Re: Request for Board Review of Decision Summary LA20014A, Hutterian Brethren Church of Granum

This is to advise you of the Board's decision to dismiss the three requests for review (RFR) of Decision Summary LA20014A. Decision Summary LA20014A was issued by the approval officer to correct an administrative error; specifically, the date on Registration LA20014 was incorrectly stated as July 26, 2020. No other matters were considered in Decision Summary LA20014A.

The Board concluded that the issues raised in the RFRs do not relate to the administrative error corrected by the approval officer. Rather, the issues raised in the RFRs relate to the approval officer's Decision Summary LA20014 which was released by the approval officer on August 26, 2020 with a review deadline of September 17, 2020. RFRs related to the August 26, 2020 approval officer decision were filed by Don Chatterton, Allan Minor and several of the individuals now listed in the RFR filed by the group identified as Concerned Neighbours of Meadow Creek. The Board issued RFR Decision 2020-06/LA20014 on October 9, 2020, in which it considered RFRs filed in relation to Decision Summary LA20014.

The Board did not find any connection between the issues raised in the three RFRs filed and the sole matter addressed in Decision Summary LA 20014A. The Board dismisses the RFRs.

Yours sincerely;

Bill Kennedy
General Counsel
