

In consideration of Decision Summary BA20012, Authorization BA20012 is issued to:

Name: Steentil Dairy Ltd. (the "permit holder")
Address: 60523 Rge Rd 30, County of Barrhead, AB, T7N 0C4
Contact person: Kor Steenbergen

Permitted construction (based on the submitted site plan):

- Rebuilding the previously permitted, but collapsed, dairy barn over the existing CFO footprint including a portion of the pen and solid manure storage pad – 70.1 m x 36.6 m (does not require an NRCB permit)
- Dairy barn addition –15.2 m x 36.6 m (dairy barn totaling 85.3 m x 36.6 m)

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed application BA20012 together with the site plan, building plans and other attached documents, unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition #3.

The permit holder is responsible for all costs associated with monitoring, sampling, testing, recording and reporting requirements.

Construction conditions (dairy barn addition)

1. The permit holder shall construct the concrete liner of the manure storage and collection systems in the dairy barn addition to meet the specifications for category C (solid manure – wet) in Technical Guideline Agdex 096-93 "Non-Engineered Concrete Liners for Manure Collection and Storage Areas." The permit holder shall provide documentation that the concrete used for the manure collection and storage areas meets the required specifications. This document must be provided to the NRCB prior to the inspection referenced in condition #3 below or by a later date stated by the NRCB.
2. The permit holder shall complete the construction of the dairy barn addition prior to December 1, 2023. Upon written request, this deadline may be extended by the NRCB in writing.
3. The permit holder shall not place livestock or manure in the dairy barn addition until the NRCB have inspected it and stated in writing that the addition has been constructed in accordance with the terms and conditions of this approval.

This authorization becomes effective immediately. The authorization conditions will remain in effect unless amended in writing by the NRCB. This authorization must be read in conjunction with the permit holder's deemed permit, including municipal development permit #53-2000, which remain in effect.
