

**Total permitted animal capacity for this site:**

400 Ewes with lambs  
700 Feeder sheep

---

In consideration of Decision Summary RA21004, Registration RA21004 is issued to:

Name: Bas and Alicia van Oeveren (the “co-permit holders”)  
Address: RR1 Box 25 Falun AB T0C 1H0  
Contact persons: Bas and Alicia van Oeveren

**Permitted construction** (based on the submitted site plan):

- Sheep barn (year round indoor sheep facility) (19.8 m x 61 m)

The co-permit holders shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The co-permit holders shall adhere to the descriptions contained in the filed application together with the site plan, building plan, and other attached documents, unless otherwise noted in the following conditions.

The co-permit holders shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition three below.

The co-permit holders are responsible for all costs associated with monitoring, sampling, testing, recording and reporting requirements.

**Construction conditions**

1. Construction completion deadline  
The co-permit holders shall complete the construction of the sheep barn to December 22, 2023. Upon written request, this deadline may be extended by the NRCB in writing.
2. Concrete  
The concrete used to construct the manure collection and storage liner in the sheep must be sulphate resistant and have a minimum 28-day compressive strength of 25 MPa. The co-permit holders shall provide documentation to the NRCB confirming the specifications of the concrete used in the construction of the sheep barn’s liner. This documentation must be provided to the NRCB prior to the inspection referenced in condition three, or by a later date stated in writing by the NRCB.
3. Post construction inspection  
The co-permit holders not place livestock or manure in the sheep barn until NRCB personnel have inspected the facility and stated in writing that it has been constructed in accordance with the terms and conditions of this registration.

This registration becomes effective immediately; its conditions will remain in effect unless amended in writing by the NRCB.

April 29, 2021
