

In consideration of Decision Summary LA20044, Authorization LA20044 is issued to:

Name: Hubert Rommens and Walter Rommens (the “permit holder”)
Address: Box 329, Duchess AB T0J 0Z0
Contact person: Hubert or Wally Rommens

Permitted construction (based on the submitted site plan):

- Extension to south end of dairy barn – 24.4 m x 28.7 m

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed application LA20044 together with the site plan, building plans, and other attached documents, unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in conditions # 3.

Construction conditions

Concrete (report and specifications)

1. The concrete used to construct the manure storage and collection system in the dairy barn extension must have a minimum 56day strength of 32 MPa. The permit holder shall provide a report, prepared by a qualified third party confirming that the facility is constructed in the approved location; the specifications of the concrete used; the thickness of the concrete walls and liner; the type of water stop; and, the size and spacing of reinforcement.

Construction completion deadline

2. The permit holder shall complete construction of the manure collection and storage portions of the dairy barn extension prior to December 31, 2022. Upon request, this deadline may be extended by the NRCB in writing.

Post construction inspection

3. The permit holder shall not place livestock or manure in the dairy barn extension until the NRCB has inspected the facility and stated in writing that the facility has been constructed in accordance with this approval.

This authorization becomes effective immediately and should be read in conjunction with Rommens' deemed permit. The authorization conditions will remain in effect unless amended in writing by the NRCB.
