

In consideration of Decision Summaries RA10042A and RA10042, Authorization RA10042A is issued to:

Name: Harry Klooster (the "permit holder")
Address: RR1 Rocky Mountain House AB T4T 2A1
Contact person: Harry Klooster

Permitted construction (based on the submitted site plan):

- Heifer barn (36.6 m x 18.3 m) southern half is developed as manure collection area/manure storage facility, northern half is an ancillary facility

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed application for this authorization unless otherwise noted.

The permit holder is responsible for all costs associated with monitoring, sampling, testing, recording and reporting requirements.

This authorization becomes effective immediately and supersedes Authorization RA10042. This authorization needs to be read in conjunction with Registration RA03020. This authorization's terms will remain in effect unless amended in writing by the NRCB.
