

In consideration of Decision Summary RA21035, Authorization RA21035 is issued to:

Name: De Knar Farms Ltd. and Andrea Verhoef (the “co-permit holders”)
Address: 37139 Range Road 10 Red Deer County AB T4N 1T4
Contact person: Andrea Verhoef

Permitted construction (based on the submitted site plan):

- Replacement barn (200 m x 30 m)

The co-permit holders shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The co-permit holders shall adhere to the descriptions contained in the filed application, together with the site plan and building plan, unless otherwise noted in the following conditions.

The co-permit holders shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition three.

The co-permit holders is responsible for all costs associated with monitoring, sampling, testing, recording and reporting requirements.

Replacement barn construction conditions

1. Construction completion deadline

The co-permit holders shall complete construction of the replacement barn prior to November 30, 2022. Upon written request, this deadline may be extended by the NRCB in writing.

2. Concrete

The concrete used to construct the liner of the replacement barn must meet the requirements of Category D in Technical Guideline Agdex 096-93 “Non-Engineered Concrete Liners for Manure Collection and Storage Areas.”

The co-permit holders shall provide documentation to the NRCB confirming the specifications of the concrete used for the liner on the replacement barn. This documentation must be provided to the NRCB prior to the inspection referenced in condition three, or by a later date stated in writing by the NRCB.

3. Post construction inspection

The co-permit holders shall not place manure or livestock in the replacement barn until NRCB personnel have inspected them and stated in writing that they have been constructed in accordance with the terms and conditions of this authorization.

This authorization becomes effective immediately and needs to be read in conjunction with the deemed approval, including Red Deer County municipal development permit D-491-02, and the NRCB issued Authorization RA19033 which remain in effect. The authorization conditions will remain in effect unless amended in writing by the NRCB.
