

Regarding Approval RA18037XA  
NW 36-36-19 W4M

### **Water Well Monitoring Requirements**

The purpose of this statement is to outline the water well monitoring requirements in Approval RA18037XA. Operating condition one of that permit reads:

*“The permit holder shall conduct water quality tests in accordance with the monitoring well monitoring statement, unless otherwise directed in writing by the NRCB.”*

The NRCB has determined that the water well monitoring requirements for this CFO should remain as:

#### **Monitoring Frequency**

Annually, with results submitted to the NRCB by May 31 of each year

#### **Water Well Test Parameters**

Chlorides and nitrate-nitrogen

#### **Water Wells to be used for Monitoring**

293268, located east of the feeder barn

These monitoring requirements become effective on the date of this letter and supersede any previously issued monitoring requirements at this facility.

October 5, 2021
