

In consideration of Decision Summary LA21048, Authorization LA21048 is issued to:

Name: Kasko Cattle Co. Ltd. (the “permit holder”)
Address: Box 1266, Coaldale AB T1M 1N1
Contact person: Ryan Kasko

Permitted construction (based on the submitted site plan):

- Catch basin 130 m x 70 m x 2.6 m

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed application together with the building plans, engineering reports and other attached documents in Authorization LA21048, unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition #4.

The permit holder is responsible for all costs associated with monitoring, recording, and reporting requirements.

Construction conditions

1. The permit holder shall complete construction of the manure collection and storage portions of the catch basin prior to December 30, 2022. Upon written request, this deadline may be extended by the NRCB in writing.
2. The permit holder shall provide written documentation, prepared by a qualified professional, certifying the thickness of the catch basin’s constructed clay liner and confirming that the catch basin was constructed using the material as was proposed in the Wood Report as included in Technical Document LA21048.
3. The permit holder shall immediately cease construction of the catch basin and contact the NRCB if the water table is observed to be one metre or less from the bottom of the catch basin liner.
4. The permit holder shall not allow manure impacted runoff to enter the catch basin until the facility has been inspected by NRCB personnel and determined by them, in writing, to have been constructed in accordance with the terms and conditions of this permit.

This authorization becomes effective immediately. The authorization conditions will remain in effect unless amended in writing by the NRCB.
