

In consideration of Decision Summary RA21014, Authorization RA21014 is issued to:

Name: James (Jim) Towle and Phyllis Towle (the “co-permit holders”)
Address: Box 6181 Innisfail AB T4G 1S8
Contact person: Jim Towle

Permitted construction (based on the submitted site plan):

- Open faced shed (57.9 m x 18.3 m)

The co-permit holders shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The co-permit holders shall adhere to the descriptions contained in the filed application together with the site plan, building plans and other attached documents, unless otherwise noted in the following conditions.

The co-permit holders shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition #2.

Construction conditions

1. The concrete used to construct the liner of the open faced shed must meet the specifications for category C (solid manure – wet), in Technical Guideline Agdex 096-93 “Non-Engineered Concrete Liners for Manure Collection and Storage Areas.” The co-permit holders shall provide written confirmation confirming that the concrete used for the manure collection and storage areas meets the required specifications.
2. The co-permit holders shall not allow livestock or manure in the new open faced shed, until the facility has been inspected by NRCB personnel and confirmed by them, in writing, to have been constructed in accordance with the terms and conditions of this permit.
3. The co-permit holders shall complete construction of the manure collection and storage portions of the open faced shed prior to November 30, 2024. Upon request, this deadline may be extended by the NRCB in writing.

Miscellaneous conditions

Facility Management

4. A year after the construction of the open faced shed referred in condition number 3, the co-permit holders shall only use the existing heifer corral as a seasonal feeding and bedding site. Upon request, this deadline may be extended by the NRCB in writing.

This authorization becomes effective immediately and needs to be read in conjunction with previously issued Registration RA04003B. The authorization conditions will remain in effect unless amended in writing by the NRCB.
