In consideration of Decision Summary RA22007, Authorization RA22007 is issued to:

Name: Stradow Farm Inc. (the “permit holder”)  
Address: RR4 Ponoka AB T4J 1R4  
Contact person: Tyce Kootstra

**Permitted construction** (based on the submitted site plan):

- calf pen (converted from the milking parlour) (15.2 m x 3.1 m)

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed application together with the site plan, building plans, operating plan and other attached documents, unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition #2.

**Construction conditions**

1. The concrete used to construct the liner of the calf’s pen (converted from the milking parlour) must meet the specifications for category D (solid manure – dry), in Technical Guideline Agdex 096-93 “Non-Engineered Concrete Liners for Manure Collection and Storage Areas.” The permit holder shall provide documentation to confirm the specifications of the concrete used for the manure collection and storage areas meets the required specification.
2. The permit holder shall not allow livestock or place manure in the calf pen (converted from the milking parlour), until the facility has been inspected by NRCB personnel and confirmed by them, in writing, to have been constructed in accordance with the terms and conditions of this permit.
3. The permit holder shall complete construction of the manure collection and storage portions of the calf pen (converted from the milking parlour) prior to November 30, 2023. Upon request, this deadline may be extended by the NRCB in writing.

This authorization becomes effective immediately and needs to be read in conjunction with previously issued Registration RA08037 and Authorization RA17018. The authorization conditions will remain in effect unless amended in writing by the NRCB.
