Dear Scott:

**Re: Application LA21033X – Notice of Decision
Double H Feeders Ltd.
NE 22-9-22 W4M**

On November 25, 2021, I (Approval Officer Carina Weisbach) issued a decision denying application LA21033 due to the applications inconsistency with the MDP land use provisions. The applicant requested the NRCB Board review the decision.

On January 7, 2022, the NRCB Board issued Board Decision 2022-01 / LA21033 directing me to issue the approval for the proposed expansion of the poultry confined feeding operation (CFO), notwithstanding the applications inconsistency with the municipal development plan (MDP). This approval allows the:

- Construction of two broiler barns (87 m x 23 m each)
- Increasing chicken layer numbers by 65,000 to 120,000

Enclosed you will find a copy of the decision with respect to the application. In accordance with the *Agricultural Operation Practices Act (AOPA)*, copies of the decision are being provided to all directly affected parties and to all parties determined not directly affected that provided written input to the Natural Resources Conservation Board.
