

Total permitted animal capacity from all permits for this site:
75,000 broiler chickens

In consideration of Decision Summary RA2202X, Approval RA22002X is issued to:

Name: Rylan Penner and R&T Penner Farms Ltd. (the “co-permit holders”)
Address: R.R. #2 New Norway AB T0B 3L0
Contact person: Rylan Penner

Permitted construction (based on the submitted site plan):

- new broiler chicken barn (96.3 m x 15.2 m)

The co-permit holders shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The co-permit holders shall adhere to the descriptions contained in the application filed for Camrose County issued development permit 99-105 and NRCB file RA22002 together with the site plans, building plans and other attached documents, unless otherwise noted in the following conditions.

The co-permit holders shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition three below.

The co-permit holders are responsible for all costs associated with monitoring, sampling, testing, recording and reporting requirements.

Construction conditions

1. Construction completion deadline

The co-permit holders shall complete construction of the new broiler chicken barn prior to October 31, 2025. Upon written request, this deadline may be extended by the NRCB in writing.

2. Concrete

The concrete used to construct the new broiler chicken barn must meet the requirements of Category D in Technical Guideline Agdex 096-93 “Non-Engineered Concrete Liners for Manure Collection and Storage Areas.”

The co-permit holders shall provide documentation to the NRCB confirming the specifications of the concrete used in the new broiler chicken barn. This documentation must be provided to the NRCB prior to the inspection referenced in condition three, or by a later date stated in writing by the NRCB.

3. Post construction inspection

The co-permit holders shall not place manure or livestock in the new broiler chicken barn until NRCB personnel have inspected it and stated in writing that it has been constructed in accordance with the terms and conditions of this approval.

This approval becomes effective immediately, its conditions will remain in effect unless amended in writing by the NRCB.

The deemed registration, including Camrose County issued development permit 99-105, is hereby cancelled and is no longer in effect, unless Approval RA22002X is held invalid, in which case the previous permit will remain in effect.

May 11, 2022
