Dear Rylan Penner:

**Re: Application RA22002X – Notice of Decision
R&T Penner Farms Ltd.
SW 28-45-20 W4M**

On date, I (Approval Officer Jeff Froese) issued a decision denying application RA22002 due to the applications inconsistency with a land use provision in Camrose County's municipal development plan (MDP).

On May 9, 2022, the NRCB Board issued Board Decision 2022-05 / RA22002 directing me to issue the approval for the proposed expansion of the poultry confined feeding operation (CFO), notwithstanding the applications inconsistency with the MDP. This approval allows the:

- Construction of a new broiler chicken barn (96.3 m x 15.2 m)
- Increasing chicken broiler numbers from 50,000 to 75,000

Enclosed you will find a copy of the decision with respect to the application. In accordance with the *Agricultural Operation Practices Act* (AOPA), copies of the decision are being provided to all directly affected parties and to all parties determined not directly affected that provided written input to the Natural Resources Conservation Board. Also enclosed is the detailed technical review of the application.
