

In consideration of Decision Summary RA22011, Authorization RA22011 is issued to:

Name: Bles-Wold Dairy Inc. (the “permit holder”)
Address: RR5 Lacombe AB T4L 2N5
Contact person: Ben Varekamp

Permitted construction (based on the submitted site plan):

- a calf barn (73 m x 22 m)

Ancillary facilities:

- a storage area attached to the calf barn (22 m x 4 m)

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed application together with the site plan, building plans, engineering reports and other attached documents, unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspections in condition #2.

Construction conditions

1. The concrete used to construct the liner of the calf barn must meet the specifications for category D (solid manure – dry), in Technical Guideline Agdex 096-93 “Non-Engineered Concrete Liners for Manure Collection and Storage Areas.” The permit holder shall provide documentation to confirm the specifications of the concrete used for the manure collection and storage areas meets the required specification.
2. The permit holder shall not allow livestock or place manure in the calf barn, until the facility has been inspected by NRCB personnel and confirmed by them, in writing, to have been constructed in accordance with the terms and conditions of this permit.
3. The permit holder shall complete construction of the manure collection and storage portions of the calf barn prior to November 30, 2023. Upon request, this deadline may be extended by the NRCB in writing.

Operating Condition

4. The permit holder shall not use the old calf barn to confine livestock or store manure, after the new calf barn has been constructed and approved for use.

This Authorization becomes effective immediately and needs to be read in conjunction with previously issued Approval RA17060. The Authorization conditions will remain in effect unless amended in writing by the NRCB.
