Subject: Re: Grandfathering Request SE-18-44-25 W4

Hi Fraser

Michael Abt - shareholder of Abt Cattle Co. Ltd would like to request a Grandfather clause for a 2000 head CFO for beef Cattle Feeder Operation located in the County of Ponoka on SE-18-44-25-W4 meridian. Abt Cattle company has been operating this CFO since the early 1970's and has owned the farm since 1945. There are nine pens, a pasture pen with feed bunk, and a Feed Pen by the the processing barn. A feedmill system with 2-Harvestores, a processing barn and loading and weighing facilities. In the 1970's we did finish some cattle but over the last 30 years we have been a backgrounding facility.

We are requesting a grandfathered 2000 head beef cattle feeder CFO permit.

I have attached the authorization letter from shareholder Michael Abt for Abt Cattle Co. Ltd for Colleen Lomas to act on behalf of the company

Thanks
Colleen
