

Total permitted animal capacity from all permits for this site:

1,500 beef feeders

In consideration of Decision Summary LA22010, Approval LA22010 is issued to:

Name: Tracy and Michele Hemsing (the "permit holder")
Address: Box 54, Rolling Hills AB T0J 2S0
Contact person: Tracy Hemsing

Permitted construction (based on the submitted site plan):

- Catch basin expansion – 120 m x 10 m x 4 m deep (final dimensions)

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed application LA22010 together with the site plan, engineering reports and other attached documents, unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition # 3.

Construction conditions

1. The permit holder shall provide proof, prepared by a qualified third party, confirming the location and the dimensions, including the depth of the catch basin are as laid out in this approval

Construction completion deadline

2. The permit holder shall complete construction of the catch basin prior to December 31, 2023. Upon request, this deadline may be extended by the NRCB in writing.

Post construction inspection

3. The permit holder shall not allow manure contaminated runoff to enter the catch basin until the NRCB has inspected the facility and stated in writing that the facility has been constructed in accordance with this approval.

This approval becomes effective immediately. The approval conditions will remain in effect unless amended in writing by the NRCB.

Hemsing's deemed approval is hereby cancelled and is no longer in effect, unless Approval LA22010 is held invalid, in which case the deemed permit will remain in effect.

July 15, 2022
