

Notice of Application

Confined Feeding Operation

Tim Knull has filed application RA22022 with the Natural Resources Conservation Board (NRCB) to obtain a registration to expand an existing confined feeding operation (CFO) on the SW 28-47-25 W4M in Wetaskiwin County, of Alberta. The application is to increase the number of permitted livestock to 120 dairy cows (plus dries and replacements), and to construct a new dairy barn and liquid manure storage facility.

The NRCB will also determine the grandfathered status of the CFO. The NRCB invites you to provide input on the CFO's livestock type, livestock capacity, and facilities as they existed on or around January 1, 2002. Tim Knull has stated that his grandfathered livestock capacity is 51 dairy cows.

Filing a Statement

Any person who is directly affected by the application and the determination of grandfathered status may submit a statement of concern to the NRCB. The statement of concern must be received by the NRCB on or before 4:30 pm on December 15, 2022. Submissions should be made to the NRCB address provided below. A copy of the statement of concern will be sent to the applicant for review and comment. Statements submitted regarding the application may be posted on the NRCB's public website, as they are public records and are non-confidential.

Your statement of concern should include your name, the legal land description of your residence or landholdings, mailing address, phone number, email address, and a detailed summary that describes how you would be directly affected by this application. For further information please refer to the fact sheet "The Permitting Process for Confined Feeding Operations in Alberta" at www.nrcb.ca. You may also file an application for directly affected party status at this time.

Failure to submit a statement of concern may affect your rights to apply for an NRCB review.
