AMENDMENT INFORMATION REQUIREMENTS

Instructions:

For each part of your permit that you would like amended, please detail what change you would like made and why, and how your proposed change will meet the AOPA requirements. You may attach additional pages to this form to provide this information.

Please note that an approval officer may require a page (or pages) of the Part 2 application forms to be completed as part of this application for amendment, depending on what changes are proposed.

At that time we wanted to start milking but we couldn't get a contract so the bank was pulling out.

Now we have a processing plant in the yard and we want to keep the possibility open to start milking ourselves.

At this time we work with another farmer that supplies us with milk, as we grow we want to start milking to provide our processing plant with a good supply of milk.
