

Notice of Application

Confined Feeding Operation

Beyer Feeders Ltd. has filed Application LA22045 with the Natural Resources Conservation Board (NRCB) to obtain an approval to construct a new 1,200 beef feeder calf confined feeding operation (CFO) on the NW 16-9-25 W4M in the Municipal District of Willow Creek of Alberta. The application is to build a new catch basin (27 m x 20 m x 3 m deep) and six portable fencing pens (27 m x 33 m each).

Filing a Statement

Any person who is directly affected by the application may submit a statement of concern to the NRCB. The statement of concern must be received by the NRCB on or before 4:30 p.m. on April 5, 2023. Submissions should be made to the NRCB address provided below. A copy of the statement of concern will be sent to the applicant for review and comment. Statements submitted regarding the application may be posted on the NRCB's public website, as they are public records and are non-confidential.

Your statement of concern should include your name, the legal land description of your residence or landholdings, mailing address, phone number, email address, and a detailed summary that describes how you would be directly affected by this application. For further information please refer to the fact sheet "The Permitting Process for Confined Feeding Operations in Alberta" at www.nrcb.ca. You may also file an application for directly affected party status at this time.

Failure to submit a statement of concern may affect your rights to apply for an NRCB review.

Viewing the Application

A complete copy of the application and supporting documents submitted by the applicant under the *Agricultural Operation Practices Act* may be viewed on the NRCB website at www.nrcb.ca (under Confined Feeding Operations / Notice of Approval and Registration Applications) until April 5, 2023. The application will also be available for in-person viewing at the Lethbridge during regular business hours. If you require further information, please contact the approval officer listed below.
