

In consideration of Decision Summary LA23005, Authorization LA23005 is issued to:

Name: First Fruit Farms Inc. (David and Shirley Wiens) (the “co-permit holders”)
Address: Box 217, Lomond AB T0L 1G0
Contact person: Matthew Wiens

Permitted construction (based on the submitted site plan):

- Addition to the chicken broiler barn – 21 m x 30.5 m

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed Application LA23005 and Approval LA21027 together with the site plan, building plans, and other attached documents unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition 3.

Construction conditions

Concrete

1. The concrete used to construct the manure collection and storage liner of the broiler barn addition must meet the specifications for category D (solid manure - dry) in Technical Guideline Agdex 096-93 “Non-Engineered Concrete Liners for Manure Collection and Storage Areas.” The permit holder shall provide written proof to the NRCB confirming the specifications of the concrete used. This document must be provided to the NRCB prior to the inspection referenced in condition #3, below, or by a later date stated by the NRCB.

Construction completion deadline

2. The co-permit holders shall complete construction of the manure collection and storage portions of the chicken broiler barn addition prior to November 30, 2024. Upon request, this deadline may be extended by the NRCB in writing.

Post construction inspection

3. The co-permit holders shall not place livestock or manure in the chicken broiler barn addition until the NRCB has inspected the facility and stated in writing that the facility has been constructed in accordance with this authorization.

This authorization becomes effective immediately and needs to be read in conjunction with previously issued Approval LA21027. The authorization conditions will remain in effect unless amended in writing by the NRCB.
