

# Notice of Application

## Confined Feeding Operation

Adrianus (Arie) and Antonia VandenBroek have filed Application for Amendment RA21001A with the Natural Resources Conservation Board (NRCB) to obtain an amendment to previously issued Approval RA21001 at an existing confined feeding operation (CFO) on the NE 21-32-27 W4M in Mountain View County of Alberta. The application is for a change from a liquid manure storage facility with a synthetic liner to that of an earthen manure storage (EMS) with a compacted clay liner. There are no requested changes to the location or the dimensions of the storage facility.

### Filing a Statement

Any person who is directly affected by the application may submit a written response to the NRCB. The response must be received by the NRCB on or before 4:30 pm on June 20, 2023. Submissions should be made to the NRCB address provided below. A copy of the statements will be sent to the applicant for review and comment. Statements submitted regarding the application may be posted on the NRCB's public website, as they are public records and are non-confidential.

Your written response should include your name, the legal land description of your residence or landholdings, mailing address, phone number, and a detailed summary that describes how you would be directly affected by this application. For further information please refer to the fact sheet "The Permitting Process for Confined Feeding Operations in Alberta" at [www.nrcb.ca](http://www.nrcb.ca). You may also file an application for directly affected party status at this time.

Failure to submit a written response may affect your rights to apply for an NRCB review.
