

In consideration of Decision Summary LA23025, Authorization LA23025 is issued to:

Name: Hutterian Brethren of Wilson (the "permit holder")
Address: Box 99, Coaldale AB T1M 1M2
Contact person: Paul Wurz

Permitted construction (based on the submitted site plan):

- Standalone liquid manure storage facility – 64 m x 94 m x 4 m deep

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed application together with the site plan and building plans, unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition #3.

Construction conditions

1. Construction Completion Deadline

Construction of the standalone liquid manure storage facility must be completed by October 31, 2023. Upon request, this deadline may be extended by the NRCB in writing.

2. Post Construction Inspection

The permit holder shall not allow manure of digestate into the standalone liquid manure storage facility until it has been inspected by NRCB personnel and determined by them, in writing, to have been constructed in accordance with the terms and conditions of this permit.

Operating conditions

3. Bottom Filling

The standalone liquid manure storage facility must be filled within the bottom quarter of the facility.

This authorization becomes effective immediately. The authorization conditions will remain in effect unless amended in writing by the NRCB.

May 23, 2023
