

Total permitted animal capacity from all permits for this site:
150 dairy cows (plus dries and replacements)

In consideration of Decision Summary LA23020, Authorization LA23020 is issued to:

Name: Lakeview Dairy Ltd. (the "permit holder")
Address: Box 1130, Coalhurst AB T0L 0V0
Contact person: Walter Vandenberg

Permitted construction (based on the submitted site plan):

- Liquid manure transfer pit (in-barn) (3.65 m x 3.65 m x 2.4 m deep)

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in filed application LA23020 together with the site plan, building plans, and other attached documents, unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition #4.

Construction conditions

Construction above the water table

1. The permit holder shall cease construction and immediately notify the NRCB if the water table is found to be within 1 m of the construction zone.

Construction report

2. The permit holder shall provide proof, prepared by a qualified third party, that the concrete used for the construction meets the specification as laid out in Technical Guideline Agdex 096-93 "Non-Engineered Concrete Liners for Manure Collection and Storage Areas, category B (liquid manure shallow pits). The report shall include the thickness of the concrete walls, the type of water stop, and the size and spacing of reinforcement.

Construction completion deadline

3. The permit holder shall complete construction of the manure collection and storage portions of the dairy barn extension prior to December 31, 2024. Upon request, this deadline may be extended by the NRCB in writing.

Post construction inspection

4. The permit holder shall not place manure into the liquid manure transfer pit until the NRCB has inspected the facility and stated in writing that the facility has been constructed in accordance with this approval.

This authorization becomes effective immediately and needs to be read in conjunction with Lakeview Dairy's deemed registration. The authorization conditions will remain in effect unless amended in writing by the NRCB.
