

In consideration of Decision Summary LA23027, Authorization LA23027 is issued to:

Name: Hutterian Brethren Church of Mountainview (the "permit holder")
Address: Box 2187, Strathmore AB T1P 1K2
Contact person: Jack Tschetter

Permitted construction (based on the submitted site plan):

- Sheep barn – 48.7 m x 18.3 m (160 ft. x 60 ft.)

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed Application LA23027 together with the site plan, building plans, engineering reports and other attached documents, and Approval LA22019 unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition #3.

Construction conditions

Construction completion report

1. The permit holder shall submit a completion report, stamped by a professional engineer, certifying that the manure storage and collection portions of the sheep barn have been constructed in accordance with the proposed design. At a minimum, the report must confirm that the facility is constructed in the approved location, and that all setbacks have been met; the final dimensions; that the liner is constructed with the same liner material as used for hydraulic conductivity testing, that the thickness of the liner is a minimum of 0.73 m, and that the final compaction meets AOPA groundwater protection requirements.

Construction completion deadline

2. The permit holder shall complete construction of the manure collection and storage portions of the sheep barn prior to December 31, 2025. Upon request, this deadline may be extended by the NRCB in writing.

Post construction inspection

3. The permit holder shall not place livestock or manure in the sheep barn until the NRCB has inspected the facility and stated in writing that the facility has been constructed in accordance with this authorization.

This authorization becomes effective immediately and needs to be read in conjunction with previously issued Approval LA22019. The authorization conditions will remain in effect unless amended in writing by the NRCB.
