

In consideration of Decision Summary LA23032, Authorization LA22032 is issued to:

Name: Hutterian Brethren Church of Springvale (the “permit holder”)
Address: Box 248, Rockyford AB T0J 2R0
Contact person: Mark Gross

Permitted construction (based on the submitted site plan):

- Poultry broiler barn – 59.1 m x 20.1 m

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed application LA23032 and Approval LA18056 together with the site plan, and other attached documents, unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition #3.

Construction conditions

Concrete

1. The concrete used to construct the manure storage and collection system in the barn must have a minimum 28-day strength of 25 MPa. The permit holder shall provide a copy of the concrete supplier’s invoice or other proof to the NRCB to confirm the specifications of the concrete used in the construction. This document must be provided to the NRCB prior to the inspection referenced in condition #3 below or by a later date stated by the NRCB.

Construction completion deadline

2. The permit holder shall complete construction of the manure collection and storage portions of the new chicken broiler barn prior to October 31, 2024. Upon request, this deadline may be extended by the NRCB in writing.

Post construction inspection

3. The permit holder shall not place livestock or manure in the new poultry broiler barn until the NRCB has inspected the facility and stated in writing that the facility has been constructed in accordance with this approval.

Decommissioning of existing broiler barn

4. Within one year of completing construction of the new broiler barn, the permit holder shall decommission the existing broiler barn according to Technical Guideline Agdex 096-90 Closure of manure storage facilities and manure collection areas.

Ongoing condition

5. The permit holder shall keep a monthly record of the number and type of livestock on site and provide that record to the NRCB upon request. All records must be kept for a period of two years.

This authorization becomes effective immediately and needs to be read in conjunction with previously issued Approval LA18068. The authorization conditions will remain in effect unless amended in writing by the NRCB.
