Dear Josh and Deborah Denbok:

**Re: Application LA23003X – Notice of Decision
JD Feeders / Joshua Denbok
SE 20-11-23 W4M**

On October 6, 2023 I (Cailyn Wilson, Approval Officer) issued a decision denying application LA23003 due to the applications inconsistency with a land use provision in Lethbridge's County's municipal development plan (MDP).

On December 12, 2023, the NRCB Board issued Board Decision 2023-07 / LA23003 directing me to issue the approval for the proposed beef CFO facility. This approval allows the:

- pen area (including the existing, but previously unpermitted feedlot pens) – 75 m x 200 m
- calf hutch & solid manure storage area (including the existing, but previously unpermitted calf hutch area) – 125 m x 200 m
- synthetically lined catch basin – 40 m x 40 m x 2.7 m

Enclosed you will find a copy of the decision with respect to the application. In accordance with the *Agricultural Operation Practices Act (AOPA)*, copies of the decision are being provided to all directly affected parties and to all parties determined not directly affected that provided written input to the Natural Resources Conservation Board.

If you require further information, please contact me at 403-388-3168 or by email at cailyn.wilson@nrcb.ca.

Yours truly,
