

In consideration of Decision Summary FA24001, Authorization FA24001 is issued to:

Name: Homeland Colony Farming Company Ltd. (the "permit holder")
Address: Box 688, Falher AB, T0H 1M0
Contact person: Simeon Wipf

Permitted construction (based on the submitted site plan):

- Earthen Manure Storage Addition – 76.2 m x 41 m x 4.6 m (total 76.2 m x 86.7 x 4.6 m)

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that Act.

The permit holder shall adhere to the descriptions, the site plan, building plans, engineering reports and other attached documents included with filed Application FA24001.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition #2.

Construction conditions

Earthen manure storage (EMS)

1. Construction completion deadline

The permit holder shall complete construction of the EMS prior to December 1, 2025. Upon request, this deadline may be extended by the NRCB in writing.

2. Post construction inspections

The permit holder shall not place manure in the expanded portion of the EMS until the NRCB has inspected the facility and stated in writing that it has been constructed in accordance with this authorization.

This authorization becomes effective immediately and needs to be read in conjunction with previously issued Approval FA22001. The authorization conditions will remain in effect unless amended in writing by the NRCB.

August 14, 2024
