

---

In consideration of Decision Summary LA24033, Authorization LA24033 is issued to:

Name: Hutterian Brethren Church of West Raley (the “permit holder”)  
Address: Box 2700, Cardston AB T0K 0K0  
Contact person: David Waldner

**Permitted construction** (based on the submitted site plan):

- Manure storage room attached to broiler barn – 10.7 m x 13.7 m (35 ft. x 45 ft.)

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that Act.

The permit holder shall adhere to the descriptions, the site plan, and other attached documents included with filed Application LA24033.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition #4.

The permit holder is responsible for all costs associated with reporting requirements (this includes post construction reports).

### **Construction conditions**

#### Concrete

1. The permit holder shall ensure that the concrete used to construct the liner of the manure collection and storage portion of the manure storage room attached to broiler barn to meet the specification for category D (solid manure – dry) in Technical Guideline Agdex 096-93 “Non-Engineered Concrete Liners for Manure Collection and Storage Areas.
2. The permit holder shall provide evidence or written confirmation from a qualified third party that the concrete used for the manure collection and storage area meets the required specifications. This document must be provided to the NRCB prior to the inspection referenced in condition #3 below or by a later date stated by the NRCB.

#### Construction completion deadline

3. The permit holder shall complete construction of the manure storage room prior to December 31, 2026. Upon request, this deadline may be extended by the NRCB in writing.

#### Post construction inspection

4. The permit holder shall not place manure in the manure storage room until the NRCB has inspected the facility and stated in writing that the facility has been constructed in accordance with this authorization.

This authorization becomes effective immediately and needs to be read in conjunction with previously issued Approval LA19028. The authorization conditions will remain in effect unless amended in writing by the NRCB.

August 19, 2024
