Part 1 — General Information & Disclosure

Describe what is being proposed, including changes to facilities, changes to animal numbers, or changes to types of livestock, e.g., beef, dairy, hog, poultry, etc.

AO Comment: Applicant is proposing to build a new layer barn with attached manure storage room.

Livestock Numbers: (include all permitted and proposed livestock). Note: If total livestock numbers increase in your Part 2 application, a new Part 1 application must be submitted which may result in a loss of priority for minimum distance separation (MDS).

Livestock category and type (Available in the Schedule 2 of the Part 2 Matters Regulation)	Permitted number	Proposed increase or decrease in number (if applicable)	Total
Layers	20,000	30,000	50,000
Pullets	25,000	25,000	50000
Farrow to finish	600.	0	600
Milkig. Cow + Dryn Replan	70	-67	3
Beef Feeders	70	- 60	10
Due Ks a	700	D	700
Chickon Broilers	S	700	700

APPLICATION DISCLOSURE

I, the applicant, or agent of the applicant, am responsible for confirming that this proposed development can meet the municipality's land use planning requirements (Municipal Development Plan, Intermunicipal Development Plan, etc.) and municipal setback requirements, and is not located in a right of way.

I acknowledge that this information is collected under the authority of the *Agricultural Operation Practices Act*, is subject to the provisions of the *Freedom of Information and Protection of Privacy Act*, and shall be deemed public unless the NRCB grants a written request that certain sections remain private.

From the date Part 1 is accepted by the NRCB, I, the applicant, or agent of the applicant, have six months to complete and submit Part 2 of this application, together with any supporting documentation I need to complete the application, unless an extension is granted. I, the applicant, acknowledge that failure to meet the six-month timeframe may result in denial of the application by the NRCB.

I, the applicant, or agent of the applicant, acknowledge that any construction prior to obtaining the required AOPA permit is an offence and subject to enforcement action, including prosecution.

I, the applicant, or agent of the applicant, have read and understand the statements herein and acknowledge that the information provided in this application is true to the best of my knowledge.
