

Notice of Application

Confined Feeding Operation

Linquenda Dairy Ltd. have filed Application BA25011 with the Natural Resources Conservation Board (NRCB) to obtain an approval to expand an existing confined feeding operation (CFO) on the NW 27-60-3 W5M in the County of Barrhead Alberta. The application is to expand an existing milking cow dairy from 150 to 270 milking cows (plus associated dries and replacements), and to construct a new dairy barn, sand recovery barn, and liquid manure storage. This will bring the total permitted livestock at this confined feeding operation to 270 milking cows (plus associated dries and replacements).

The NRCB will also determine the grandfathered status of the CFO. The NRCB invites you to provide input on the CFO's livestock type, livestock capacity, and facilities as they existed on or around January 1, 2002. Linquenda Dairy Ltd. has stated that its grandfathered livestock capacity is 150 milking cows (plus associated dries and replacements).

Filing a Response

Any person who is directly affected by the application and the grandfathering determination may submit a written response to the NRCB. The response must be received by the NRCB on or before **4:30 pm on May 28, 2025**. Submissions should be made to the NRCB address provided below. All attachments sent electronically must be in pdf format. A copy of the responses will be sent to the applicant for comment. Responses regarding the application may be posted on the NRCB's public website, as they are public records and are non-confidential.

Your written response must include your name, the legal land description of your residence or landholdings, mailing address, phone number, and email. You must also explain how you are directly affected. For further information please refer to the fact sheet "The Permitting Process for Confined Feeding Operations in Alberta" at www.nrcb.ca.

Failure to submit a written response affects your right to apply for an NRCB Board review.
