

Notice of Application

Confined Feeding Operation

El-Shaddai Dairies Inc. have filed Application BA24013 with the Natural Resources Conservation Board (NRCB) to obtain an approval to expand an existing confined feeding operation (CFO) on the NE 20-49-22 W4M in Leduc County of Alberta. The application is to expand an existing milking cow dairy (plus associated dries and replacements), construct a new lagoon, and permit an addition to the dairy barn and calf barn. This will bring the total permitted livestock at this CFO to 200 milking cows (plus associated dries and replacements).

The NRCB will also determine the grandfathered status of the CFO. The NRCB invites you to provide input on the CFO's livestock type, livestock capacity, and facilities as they existed on or around January 1, 2002. El-Shaddai Dairies Inc. has stated that its grandfathered livestock capacity is 104 milking cows (plus associated dries and replacements).

Filing a Response

Any person who is directly affected by the application and the grandfathering determination may submit a written response to the NRCB. The response must be received by the NRCB on or before **4:30 pm on September 2, 2025**. Submissions should be made to the NRCB address provided below. All attachments sent electronically must be in pdf format. A copy of the responses will be sent to the applicant for comment. Responses regarding the application may be posted on the NRCB's public website, as they are public records and are non-confidential.

Your written response must include your name, the legal land description of your residence or landholdings, mailing address, phone number, and email. You must also explain how you are directly affected. For further information please refer to the fact sheet "The Permitting Process for Confined Feeding Operations in Alberta" at www.nrcb.ca.

Failure to submit a written response affects your right to apply for an NRCB Board review.
