

In consideration of Decision Summary LA24004A, Authorization LA24004A is issued to:

Name: John Liefing (the "permit holder")
Address: Box 1116, Picture Butte AB T0K 1V0
Contact person: John Liefing

Permitted construction (based on the submitted site plan):

- Earthen liquid manure storage – 45 m x 45 m x 6 m deep

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that Act.

The permit holder shall adhere to the descriptions, the site plan, engineering reports and other attached documents included with filed Application LA24004A and associated Authorization LA24004.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition 4.

Construction conditions

Earthen liquid manure storage (EMS)

1. The permit holder shall submit a final construction report, prepared by a qualified third party, confirming the location and dimensions of the EMS. This report must be submitted prior to the post construction inspection stated below.
2. The permit holder shall immediately cease construction and immediately notify the NRCB if the water table is encountered within 1 m of the construction zone during construction.
3. The permit holder shall complete construction of the EMS prior to November 30, 2025. Upon request, this deadline may be extended by the NRCB in writing.
4. The permit holder shall not allow manure to enter the EMS until the NRCB has inspected the EMS and stated in writing that the EMS has been constructed in accordance with this authorization.

This authorization becomes effective immediately and needs to be read in conjunction with the deemed Approval PL21005. The authorization conditions will remain in effect unless amended in writing by the NRCB.

Authorization LA24004 is therefore superseded, unless Authorization LA24004A is held invalid following a review and decision by the NRCB's board members or by a court, in which case Authorization LA24004 will remain in effect.
