Part 1 – General Information & Disclosure

Describe what is being proposed, including changes to facilities, changes to animal numbers, or changes to types of livestock, e.g., beef, dairy, hog, poultry, etc.

We lease the existing feedlot(tongue creek) which is connected to my land where we would like to build a 5000 head feedlot for running our cow calf operation so we can have the option of backgrounding our calves or finishing them depending on markets. We have existing water rights off of tongue creek and currently farm 4500 acres so water is not an issue, and getting rid of the manure and irrigating the lagoons out is no issue

Livestock Numbers: (include all permitted and proposed livestock). Note: If total livestock numbers increase in your Part 2 application, a new Part 1 application must be submitted which may result in a loss of priority for minimum distance separation (MDS).

Livestock category and type (Available in the Schedule 2 of the Part 2 Matters Regulation)	Permitted number	Proposed increase or decrease in number (if applicable)	Total
Group 1 class 11 cattle	0	5000	5000
