

In consideration of Decision Summary LA18055, Authorization LA18055 is issued to:

Name: Vane Livestock Marketing & Truck Wash (the "permit holder")  
Address: 3716 9<sup>th</sup> Ave N; Lethbridge, AB T1H 6T8  
Contact person: Doug Vane

**Permitted construction** (based on the submitted site plan):

- manure storage pad (100 m x 80 m)

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed application LA18055 together with the engineering reports and other attached documents unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition #2.

The permit holder is responsible for all costs associated with monitoring, recording, and reporting requirements.

### **Construction conditions**

1. The permit holder shall complete construction of the manure storage pad prior to November 30, 2019. Upon request, this deadline may be extended by the NRCB in writing.
2. The permit holder shall not place manure on the manure storage pad until the NRCB has inspected the pad and stated in writing that it has been constructed in accordance with this authorization.

### **Operating conditions**

3. The permit holder must ensure that all run-on and run-off water is controlled at the site of the manure storage pad at all times.
4. The permit holder shall not store any more than 5,000 tonnes of manure at the site at any one time. If the quantity of manure stored on site exceed this threshold at any time, the permit holder must immediately contact the NRCB.

This Authorization becomes effective immediately. The authorization conditions will remain in effect unless amended in writing by the NRCB or unless Authorization LA18055 is held invalid.
