# Part 1 – General Information & Disclosure

Application under the *Agricultural Operation Practices Act* (AOPA) for a confined feeding operation (CFO), manure collection area, or manure storage facility

**Describe what is being proposed, including changes to facilities, changes to animal numbers, or changes to types of livestock, e.g., beef, dairy, hog, poultry, etc.**

- increase beef livestock on site.
- construct open heifer shed & handling facility
- construct solid manure storage pad

**Total livestock** (including proposed livestock numbers)

Livestock type	Existing animal numbers	Proposed change in numbers	Total
Milking cows (plus dries and replacements)	200	0	200
Beef finishers	68	82	150
Beef feeder	0	150	150
Beef feeder calves	0	60	60

**APPLICATION DISCLOSURE**

I, the applicant, or agent of the applicant, am responsible for confirming that this application can meet the municipality's land use planning requirements (MDP, IDP, etc.) and municipal setback requirements, and is not located in a right of way.

This information is collected under the authority of the *Agricultural Operation Practices Act*, is subject to the provisions of the *Freedom of Information and Protection of Privacy Act*, and shall be deemed public unless the NRCB grants a written request that certain sections remain private.

From the date Part 1 is accepted by the NRCB, I, the applicant, or agent of the applicant, have **six months** to complete and submit Part 2 of this application, together with any supporting documentation I need to complete the application, unless an extension is granted. I, the applicant, acknowledge that failure to meet the six month timeframe may result in the application being denied by the NRCB.

**I, the applicant, or agent of the applicant, acknowledge that any construction prior to obtaining the required AOPA permit is an offence and subject to enforcement action, including prosecution.**

I, the applicant, or agent of the applicant, have read and understand the statements herein and acknowledge that the information provided in this application is true to the best of my knowledge.
