

In consideration of Decision Summary LA19001, Authorization LA19001 is issued to:

Name: Tony & Mike Heins Farms Ltd. (the "permit holder")
Address: Box 92, Shaughnessy, AB T0K 2A0
Contact person: Tony & Mike Heins

Permitted construction (based on the submitted site plan):

- Two new feedlot pens (92 m x 40 m each)

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed application LA19001 together with the site plan, engineering reports and other attached documents unless otherwise noted in the following conditions.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition #2.

Construction conditions

Construction deadline

1. The permit holder shall complete construction of the new feedlot pens prior to August 31, 2019. Upon request, this deadline may be extended by the NRCB in writing.

Post construction inspection

2. The permit holder shall not place manure or animals in the new feedlot pens until the facilities have been inspected by NRCB personnel and determined by them, in writing, to have been constructed in accordance with the terms and conditions of this permit.

Decommissioning of feedlot pens A1, B1, and C1

3. After decommissioning feedlot pens A1, B1, and C1, these pens are no longer considered manure collection areas and can only be used as handling and holding facilities or as a silage pit (former pen C1).

This authorization becomes effective immediately and has to be read in conjunction with previously issued Development Permits 97-159 and 93-06. The authorization conditions will remain in effect unless amended in writing by the NRCB.

April 24, 2019

Carina Weisbach
Approval Officer

Authorization LA19001 - Appendix
