

**Total permitted animal capacity for this site:**

700 ewes with lambs and 900 feeder sheep

---

In consideration of Decision Summaries RA14031A and RA14031, Registration RA14031A is issued to:

Name: Miles Driedger (the "permit holder")  
Address: RR1 Site 5 Box 43 Olds AB T4H 1P2  
Contact person: Miles Driedger

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that act.

The permit holder shall adhere to the descriptions contained in the filed applications RA14031 and RA09030 together with the site plans and other documents attached to those applications, unless otherwise noted in Decision Summary RA14031A.

The permit holder is responsible for all costs associated with monitoring, sampling, testing, recording and reporting requirements.

This registration becomes effective immediately. The conditions will remain in effect unless amended in writing by the NRCB.

Approval RA14031 is hereby cancelled and is no longer in effect, unless Registration RA14031A is held invalid, in which case the previous permit will remain in effect.

May 9, 2019

(Original Signed)  
Jeff Froese  
Approval Officer

**Registration RA14031A – Appendix**

**Existing permitted facilities**

<b>Facility</b>	<b>Dimensions (m)</b>	<b>Permit(s)</b>
West sheep pens	84 x 7 and 13 x 15	Approval RA14031
Sheep barn	76.2 x 24.4 (total dimensions including attached ancillary structures are 84 x 24.4 m and 11.5 x 12.5)	Approval RA09030
Orphan lamb barn	15 x 10 (attached ancillary structure is 6 x 5.5)	

**Construction conditions** (brought forward from Approval RA14031)

- 2a. Construction completion deadline  
The permit holder shall complete construction of the manure collection and storage portions of the west sheep corral prior to November 30, 2017. Upon request, this deadline may be extended by the NRCB in writing.
- 2b. Post construction inspection  
The permit holder shall not place livestock in the west sheep corral until the NRCB has inspected the facility and stated in writing that the facility has been constructed in accordance with this permit.

**Construction conditions** (brought forward from Approval RA09030)

- 1a. Construction completion  
Construction of the sheep barn and corrals and the old dairy barn into an orphan lamb barn must be completed prior to March 31, 2011, unless otherwise agreed upon by the NRCB.
- 2a. Inspections  
The new sheep barn and corrals and the orphan lamb barn must be inspected by NRCB personnel prior to animals or manure being placed in the new sheep barn and corrals.
- 3a. Miscellaneous  
If the 1927 water well is located, the NRCB must be informed of its location and any abandonment, unless the operator is notified otherwise in writing by the NRCB.
